YORK HOTEL WINS CARLSON'S PRESIDENTIAL AWARD

PARIS, FRANCE—Country Inn & Suites By Carlson, 245 St. Charles Way, York was recognized today for outstanding dedication to quality with Carlson's Presidential Award. The award was presented at the 2007 Global Business Conference in Paris France to hotel general manager Melanie Myers.

“What is unique about this award is that much of the feedback used to determine the recipients of this award comes directly through our guests from around the world and our clients from right here in York County,” said Myers. Carlson Hotels use an on-line based feedback system called Medallia which collects information from guests and rates guest satisfaction with individual hotels. Carlson also evaluates hotels on a regular basis to ensure that important quality measures and brand standards are in place.

“We are so proud of our York Team as this award celebrates a select group of hotels out of over 400 Country Inn & Suites hotels who demonstrate an extreme passion for hospitality,” said John Delozier, Regional Vice President for PA based Hospitality Lodging Investors LP, owner of the 67 room property franchised under license agreement with Minnesota based Carlson Companies. “This staff understands the importance of providing top quality in the York marketplace and is truly deserving of this recognition,” added Delozier. Hospitality Lodging Investors LP owns a total of 6 properties in PA, MD & WV.
